APPEARANCES:

Plaintiff pro se
Caron S. Harris
Hudson County Correctional Center
C-3 East
235 Hackensack Avenue
Kearny, NJ 07032

HAYDEN, District Judge

Plaintiff Caron S. Harris, a prisoner confined at Hudson County Correctional Facility in Kearny, New Jersey, seeks to bring this action in forma pauperis pursuant to 42 U.S.C. § 1983, alleging violations of his constitutional rights. Based on his affidavit of indigence and the absence of three qualifying dismissals within 28 U.S.C. §1915(g), the Court will grant Plaintiff's application to proceed in forma pauperis pursuant to 28 U.S.C. § 1915(a) and order the Clerk of the Court to file the Complaint.

At this time, the Court must review the Complaint to determine whether it should be dismissed as frivolous or malicious, for failure to state a claim upon which relief may be granted, or because it seeks monetary relief from a defendant who is immune from such relief.

I. BACKGROUND

The following factual allegations are taken from Plaintiff's Complaint and are accepted as true for purposes of this review.

Plaintiff alleges that he was severely burned on his left foot and ankle while incarcerated, but that he was not properly treated. He seeks proper medical treatment and compensation for his pain and suffering.

The only named defendant is the Hudson County Correctional Facility.

The Court construes this as an attempt to assert a claim that Plaintiff was denied adequate medical care in violation of his constitutional rights.¹

¹ It is not clear whether Plaintiff is a convicted and sentenced prisoner or a pre-trial detainee. Pretrial detainees (and convicted but unsentenced prisoners) are protected by the Due Process Clause of the Fourteenth Amendment; convicted and sentenced prisoners are protected by the Eighth Amendment. See Bell v. Wolfish, 441 U.S. 520, 535, n.16, 545 (1979); City of Revere v. Massachusetts General Hospital, 463 U.S. 239, 244 (1983); Hubbard v. Taylor, 399 F.3d 150 (3d Cir. 2005); Natale v. Camden County Correctional Facility, 318 F.3d 575, 581 (3d Cir. 2003); Fuentes v. Wagner, 206 F.3d 335, 341 n.9 (3d Cir. 2000); Monmouth County Correctional Institutional Inmates v. Lanzaro, 834 F.2d 326, 346 n.31 (3d Cir. 1987), cert. denied, 486 U.S. 1006 (1988).

II. STANDARDS FOR A SUA SPONTE DISMISSAL

This Court must dismiss, at the earliest practicable time, certain in forma pauperis and prisoner actions that are frivolous, malicious, fail to state a claim, or seek monetary relief from a defendant who is immune from such relief. See 28 U.S.C. § 1915(e) (2) (in forma pauperis actions); 28 U.S.C. § 1915A (actions in which prisoner seeks redress from a governmental defendant); 42 U.S.C. § 1997e (prisoner actions brought with respect to prison conditions).

In determining the sufficiency of a pro se complaint, the Court must be mindful to construe it liberally in favor of the plaintiff. Haines v. Kerner, 404 U.S. 519, 520-21 (1972); United States v. Day, 969 F.2d 39, 42 (3d Cir. 1992). The Court must "accept as true all of the allegations in the complaint and all reasonable inferences that can be drawn therefrom, and view them in the light most favorable to the plaintiff." Morse v. Lower Merion School Dist., 132 F.3d 902, 906 (3d Cir. 1997).

A complaint must plead facts sufficient at least to "suggest" a basis for liability. Spruill v. Gillis, 372 F.3d 218, 236 n.12 (3d Cir. 2004). "Specific facts are not necessary; the statement need only 'give the defendant fair notice of what the ... claim is and the grounds upon which it rests.'" Erickson v. Pardus, 127 S.Ct. 2197, 2200 (2007) (citations omitted).

While a complaint ... does not need detailed factual allegations, a plaintiff's obligation to provide the

"grounds" of his "entitle[ment] to relief" requires more than labels and conclusions, and a formulaic recitation of the elements of a cause of action will not do, see Papasan v. Allain, 478 U.S. 265, 286, 106 S.Ct. 2932, 92 L.Ed.2d 209 (1986) (on a motion to dismiss, courts "are not bound to accept as true a legal conclusion couched as a factual allegation").

Bell Atlantic Corp. v. Twombly, 127 S.Ct. 1955, 1964-65 (2007) (citations omitted). See also Morse v. Lower Merion School Dist., 132 F.3d at 906 (a court need not credit a pro se plaintiff's "bald assertions" or "legal conclusions").

A complaint is frivolous if it "lacks an arguable basis either in law or in fact." Neitzke v. Williams, 490 U.S. 319, 325 (1989) (interpreting the predecessor of § 1915(e)(2), the former § 1915(d)). The standard for evaluating whether a complaint is "frivolous" is an objective one. Deutsch v. United States, 67 F.3d 1080, 1086-87 (3d Cir. 1995).

A pro se complaint may be dismissed for failure to state a claim only if it appears "'beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief.'" Haines, 404 U.S. at 521 (quoting Conley v. Gibson, 355 U.S. 41, 45-46 (1957)); Milhouse v. Carlson, 652 F.2d 371, 373 (3d Cir. 1981). Where a complaint can be remedied by an amendment, a district court may not dismiss the complaint with prejudice, but must permit the amendment. Denton v. Hernandez, 504 U.S. 25, 34 (1992); Grayson v. Mayview State Hospital, 293 F.3d 103, 108 (3d Cir. 2002) (dismissal pursuant to 28 U.S.C.

§ 1915(e)(2)); Shane v. Fauver, 213 F.3d 113, 116-17 (3d Cir. 2000) (dismissal pursuant to 42 U.S.C. § 1997e(c)(1)); Urrutia v. Harrisburg County Police Dept., 91 F.3d 451, 453 (3d Cir. 1996).

III. ANALYSIS

A plaintiff may have a cause of action under 42 U.S.C. § 1983 for certain violations of his constitutional rights. Section 1983 provides in relevant part:

Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory ... subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress

Thus, to state a claim for relief under § 1983, a plaintiff must allege, first, the violation of a right secured by the Constitution or laws of the United States and, second, that the alleged deprivation was committed or caused by a person acting under color of state law. West v. Atkins, 487 U.S. 42, 48 (1988); Piecknick v. Pennsylvania, 36 F.3d 1250, 1255-56 (3d Cir. 1994).

Here, however, Plaintiff has failed to name a state actor as a defendant. The only named defendant is Hudson County Correctional Facility. A county jail, however, is not a "person" amenable to suit under 42 U.S.C. § 1983. See, e.g., Marbry v. Correctional Medical Services, 238 F.3d 422, *2 (6th Cir. 2000)

(unpubl.); Ogden v. Huntingdon Co., 2007 WL 2343814, *3 (M.D. Pa. Aug. 15, 2007); Marsden v. Federal BOP, 856 F.Supp. 832, 836 (S.D.N.Y. 1994); Powell v. Cook County Jail, 814 F.Supp. 757, 758 (N.D. Ill. 1993); McCoy v. Chesapeake Correctional Center, 788 F.Supp. 890, 893-94 (E.D. Va. 1992). Accordingly, the Complaint must be dismissed.

IV. CONCLUSION

For the reasons set forth above, the Complaint must be dismissed without prejudice, pursuant to 28 U.S.C. §§ 1915(e)(2)(B)(ii) and 1915A(b)(1) and 42 U.S.C. § 1997e, for failure to state a claim.² If Plaintiff can correct the deficiencies of his Complaint, he may file a motion to re-open

² The Court notes that "[g]enerally, an order which dismisses a complaint without prejudice is neither final nor appealable because the deficiency may be corrected by the plaintiff without affecting the cause of action." ... The dispositive inquiry is whether the district court's order finally resolved the case." Martin v. Brown, 63 F.3d 1252, 1257-58 (3d Cir. 1995) (quoting Borelli v. City of Reading, 532 F.2d 950, 951 (3d Cir. 1976)) (other citations omitted). In this case, if Plaintiff can correct the deficiencies of his Complaint, he may file a motion to re-open this action in accordance with the court rules.

this action. Any such motion must be accompanied by a proposed Amended Complaint.³ An appropriate order follows.

/s/ Katharine S. Hayden
Katharine S. Hayden
United States District Judge

Dated: 1/3/08

³ Plaintiff should note that when an amended complaint is filed, the original complaint no longer performs any function in the case and "cannot be utilized to cure defects in the amended [complaint], unless the relevant portion is specifically incorporated in the new [complaint]." 6 Wright, Miller & Kane, Federal Practice and Procedure § 1476 (2d ed. 1990) (footnotes omitted). An amended complaint may adopt some or all of the allegations in the original complaint, but the identification of the particular allegations to be adopted must be clear and explicit. Id. To avoid confusion, the safer course is to file an amended complaint that is complete in itself. Id.
